

End of Spring Term

A reminder that the last day of term is **Thursday 24th March**. As we usually do on the last day of term, **school will finish at 2.00**. Children should return to school on **Tuesday 12th April**.

Wishing you and you families a very happy Easter holiday.

Best wishes, Carole Pellicci

Rights Respecting School

As you may know we are on the path to becoming a rights respecting school, looking closely at the United Nations Convention on the Rights of the Child. Ms Casey and Ms Begum have set up a group of Rights Respecting Rangers, children who are working on developing our understanding of children's rights and needs - things like water and shelter, which we need to survive, and education, which we need to grow and develop. They understand that with Rights come Responsibilities; to respect the rights of others and to try to help those elsewhere in the world who struggle to have their rights. They hope to launch a Rights Respecting event early in the Autumn term.

Sports Relief Mile

On Friday to help promote Sports Relief children in Years 1 – 3 ran four circuits of the entire double playground and despite one or two tumbles, completed these very cheerfully and sportingly. Meanwhile children and adults in Years 4-6 went to the park where they ran a mile (and more!) with impressive energy and determination. It was great too to see so many parents and grandparents cheering the children on - thank you for coming out and being so positive and cheerful on a chilly morning!

Foundation Stage

Last week we were very proud of our children in Foundation Stage who performed their wonderful Spring Show four times for parents and friends, remembering an astonishing number of words and actions, and performing beautifully to the end.

School Discos

We are very excited about the school discos which will be held on Wednesday 23 March throughout the afternoon for children from Reception to Year 6

A big thank you to the Parents Association for organising the discos.

Diversity Day

This week on Wednesday, 23 March, we are celebrating another Diversity Day. When the FAB team (Friends Against Bullying) will be helping Louise to run drama workshops for classes throughout the school on the theme of gender, promoting the idea that everyone – girls and boys – should feel proud to be themselves and not be tied to stereotypes from the media or from peers.
